Intellectual property

All rights, ownership and intellectual property rights (including, but not limited to, copyrights, professional knowledge and trade secrets) in the information contained in this document or any part thereof, as well as in any amendments or additions to this document, are owned by Dorcom Computers Ltd. This document does not imply, imply, or in any other way, grant any rights, ownership, intellectual property rights or license to use related to Dorcom or third parties.

The information contained in this document is confidential and commercially sensitive, and may not be copied or disclosed to any third party without the prior written approval of Dorcom Computers Ltd. The intended recipient is authorized to disclose this information only to those of its employees directly involved in the project to which this document relates, who have a "need to know". It is the sole and exclusive responsibility of the recipient to ensure that all such employees are aware of these terms and act accordingly. The recipient is authorized to use the information contained herein for evaluation purposes only.

The receipt of this document "as is" by the recipient shall not create any contractual relations unless and until an agreement on the terms of the project to which this document relates, including these terms, is signed by both parties. This document constitutes a non-binding proposal, which may be amended by Dorcom Computers Ltd. at any time, at its sole discretion. The recipient hereby agrees to return this document to Dorcom Computers Ltd. immediately upon request, and to destroy any copies made thereof.

Any breach of these provisions by the recipient or any of its employees will entitle Dorcom Computers Ltd. to all legal remedies, including, but not limited to, damages and injunction, without the need for prior notice or proof of damage.
